club DVD 9.2

When we interview porn stars, we generally find them to be charming, fun and sexy. Or Kimberly Kane (but we still rub one off to her films!). There are certain questions some of them don't like to answer, and certain ones they love. But the answer we like best is when they tell us that size doesn't matter. Obviously, the *Club DVD* team are all hung like horses, but it's just nice to know that not all porn babes are obsessed with massive cocks. Honest...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

FUCKS-TONS!

Well, they do say the housing market is overheated. A homeowner discovered two horny estate agents gazumping each other silly in his up-for-sale home. Everyone knows location, location, location is key when it comes to having sex and maybe these two got tired of paying for hotel rooms. But homeowner Richard Weiner insists that his house was listed at above-market level so it would stay unviewed and available as a love pad for Robert Lindsay and Jeannemarie Phelan. The amorous agents then indulged in a spot of off-street porking. But Weiner ended up getting a full structural survey he didn't anticipate – his security cameras picked up the rutting realtors. They have lost their jobs and are being sued for breach of contract.

CATTLE-PROD!

A jelly-smeared man and his accomplice are in jail, a cow is dead and three cars lie smashed across a New York state freeway in a literal collision of weird sex news tropes. Fist-pumping journalists and thought-they'd-seen-it-all cops came upon the carnage in Farmington, NY, where a naked, jelly-covered IT worker had attempted to have sex with a cow while filmed by his pal. The cow bolted, hit a car and caused a pile-up – emergency crews were unable to resuscitate it at the scene, as they were probably too busy taking photos on their phones to show to their pals later. Police said the incident was discovered by a farmer who had set up a camera in his barn to determine why his cows were acting strangely.

Moo news, more like!

ARSE FOR ART'S SAKE!

A nineteen-year-old man is to lose his gay virginity in front of 100 spectators as part of an art "happening" at a London gallery. The piece, entitled "Art School Stole My Virginity" will feature student Clayton Pettet making noises like he's getting into a very hot bath with another man at the Orange Dot gallery in Bloomsbury. "I'm using the loss of my virginity to create a piece that will stimulate interesting debate," Pettet said, seemingly unaware that isn't all he'll be stimulating among some of his audience. "I'm trying to vet the people who get tickets," he adds. "I don't want people who just want to come and see a boy lose their virginity." Not at all – we think it will be the other way round.

GEEKS CORNER! WITH JOEL

Geeks Corner kicks off this month with a double whammy from John Cohen's Dead Fader – A collaboration between Robot Elephant Records and Small But Hard sees the frenetic producer release not one but two outstanding albums – the first salvo, *Blood Forest*, squashes Border Community's circuit-bent sound into a chip-detuned collision of Boards of Canada's soft focus soundscapes and James Ferraro styled virtuality, an aural adventure in the pixelated pastoral. Yet simultaneously the schizophrenic Cohen reloads and his second shot, *Scorched*, is aimed firmly at the dance floor with its bike pump meets bucket kicks upping the ante in a similar vein as Modeselektor's brand of Ibiza-Oompah bangers, all squealing synths and over-driven bass bins – intense!

After such a heavy sound system workout, the debut from all-girl four-piece COLLECTRESS is the perfect tonic – *Mondegreen* harks back to the orchestral curlicues of the Rachels, or the atmospheric tension in early Lars Horntveth – the multi-instrumental quartet seem to have dreamt an immensely beautiful soundtrack to an undiscovered Peter Greenaway film, outstanding!

Dear Club DVD,
I'm not usually one to write to a magazine, let alone to express my views about an article, but after the latest issue I felt I had to. I don't think you've deliberately tricked us readers, but I'm pretty sure one of your Smoo News articles is bollocks – the 'Orgasmatron' piece, about a woman in Seattle who went to A&E 'cause she couldn't stop cumming, to be exact. I've never heard of anything so ridiculous in my life!
Not Duped, Ipswich

We were a bit dubious when we read about it, too, but apparently it is completely true. Although the lady in question would only give her name as Liz, she and her husband, Eric (who was the cause of the alleged 3-hour long climax), both appeared on a TLC show entitled *Sex Sent Me To The ER*, sharing details of the 'traumatic' experience, so she can't be that bothered about remaining anonymous! Eric said of the event, "As much of a relief as it was to have her in the hospital, now there were eyes on me." Yeah, there were eyes on you, mate – every nurse in the place wanted a go!

Alright Geezas?
Julia Crown = Fit As Fuck. And that's a fact.
Bry, Llanbedrog

Very true, Bry, very true. There is most definitely something about the Swedish bombshell that gives us a funny feeling in our pants – and it's not easy to edit photos of the hazel-eyed honey with a huge hard-on, believe us!

Dear Club DVD,
I couldn't help but notice that in your last issue's 'cumming next month' ad, you featured a photo of the stunning Sophia Knight. She's been my favourite model of recent times (since Linzi Drew quite, back in the 90s) and I can't get enough of her peachy arse, so I'm drooling with anticipation for *Club DVD* 9.2!
Yours sincerely,
Roger K, St. Ives

Well, Roger K, your wait is over! Your dream girl awaits you within these very pages! Seriously, though, we love Ms. Knight, too, and enjoy featuring her in our modest little mag! Now, turn to page 23 to see the foxy blonde in all her dripping wet glory!

Dear Club DVD,
Cheers guys. Yes, I'm being sarcastic. Why? Because you fuckers told my missus what a Champagne Bottle is, and I don't mean an actual Champagne bottle, but the sex position you said about on Tossary [*Club DVD* 9.1 – The Ed]. She was giving me a good noshing at the weekend and I was gonna cum when she put her fucking thumb over my third eye! I thought my plums were gonna explode! She thought it was funny as fuck, stupid cow, so I binned her there and then. Done. And I won't be letting any bird look at my *Club DVD* again.
Cheers,
BP, Watford

Ahem, what can we say? Sorry? We're not sure your girlfriend deserved to be dumped on the basis of trying out a Tossary term, but maybe you're right to hide your mag stash in the future! Until then, you'll just have to 'buck the slobbering donkey', won't you? And if you don't know what that means, you'll have to wait until next issue's Tossary…

Dear Club DVD,
I have developed a bit of a crush on your porn-girl writer, Karina Currie, and always enjoy reading her views on the porn world. I found her column about older pornstars particularly interesting – especially the bit about her being 'too old to look like a teen and too young looking to fit the stereotypical MILF market'. Maybe there needs to be a third category – how about TILFs (Twenty-somethings I'd Like To Fuck)?
Norm, Didsbury

Ah, we, too, have a bit of a crush on our Karina, Norm! She's not only fit, but intelligent, witty and articulate, which is why we chose her to write for *Club DVD*! We're not sure if the TILF acronym will catch on, however, but we like the way you're thinking! Maybe you should go back to the drawing board and try again? Do come back to us with any more ideas, though – you never know!

WIN A LOAD OF PORN*

TOSSARY

Total Enclosure – A form of BDSM, total enclosure fetishism can appear particularly disturbing to those who do not understand/get off on it. As the name suggests, it involves the (brave) fetishist having their entire body completely encased in whatever material/contraption suits their own personal fetish. For example, we've seen a sub being zipped into a rubber body bag bed (with only an attached nose tube for breathing), which was then vacuumed-sucked, so the guy was unable to move a muscle. He was loving it, but we were a tad freaked out! Obviously, a code word – and complete trust – is absolutely imperative.

Bear Claw – To put it bluntly, big flappy pussy lips.

Dendrophilia – Dendrophilia is the condition of finding trees arousing. Brings a whole new meaning to the term 'getting wood'…

Anal Wink – If you softly stroke the area directly around the anus, it will cause the sphincter to contract involuntarily, making it look like the pink puckerhole is winking at you. It's not. Oh, and if you want the 'proper' term for it, we think you'll find it's called the anocutaneous reflex. You learn something new everyday!

Dog In A Bathtub – Ever tried to give your canine pal a wash in the bath? Remember how difficult it was to keep him there? Well, apparently it's as difficult as attempting to insert your balls into a girl's ass, because that's where this term is derived from. Nice!

Tamareki – This term refers to a man's fetish for having their bollocks squeezed and twisted. Fantasies also include being kicked in the nuts, but we can't tell if this is actually practised or not.

Rusty Trombone – Again, this requires a very special laydee, preferably one that can breathe through her ears! Your chick goes down on you (no, not there – down on your arsehole!), sticking her tongue right in and there, and wriggling it around – don't pull that face, your G-spot's up there, dontcha know! Anyway, as she's cleaning your passage out, she gives you a reach around and pumps your cock like she's milking an udder – mimicking a trombone player. And the rusty bit? You should be able to work that out by yourself…

Vorarephilia – AKA Phagophilia and vore, vorarephilia is thankfully pretty rare, but sees its sufferers become aroused at the thought of cannibalism – either performing the act, or being cannibalised themselves. In fact, websites in which you can advertise for someone to eat your flesh are out there! The fetish is often portrayed in movies (think Hannibal Lecter), but occasionally a real-life case comes to light; executed in 1994, Andrei Chikatilo remains one of the most notorious sexually-driven cannibals the world has seen, killing and eating over 50 people, that we know of. However, not all vorarephiliacs act out their fantasies in a violent way – the website *Mukiskitchen.com* sees beautiful models posing in big cooking pots and trussed up on spitroasts, like a suckling pig… All in the name of art, of course!

Eve's Ecstasy – Despite sounding like a Mills & Boon title, Eve's ecstasy is actually the term for a sexual position. One person (of either sex) lies on down on a bed, on their back, with their head close to the edge, while the other stands over their face, with their feet on the floor and genitals poised over their waiting, and willing, partner. It may sound like a bit of a faff, but this is actually a really good position for having your balls sucked, believe us!

Outercourse – AKA dry humping or non-penetrative intercourse, the term outercourse made us smile when we heard it – it really does explain it all!

Phallophilia – We reckon most women are phallophiliacs, given the amount of time we are made to feel inadequate! In case you haven't figured it out yet, phallophilia describes a sexual attraction to big cocks.

Eva isn't the first girl we've met to have a *Playboy* tattoo. And we don't want to be too hard on her about it. But why not a *Club DVD* tat? Okay, we might not be as iconic but, at the end of the day, does *Playboy* have hot babes naked in every issue from front to back plus a DVD on the cover? Does it fuck. Just something to bear in mind, Eva...

Secret Admirer

It's no secret that there is sexual tension bubbling over in virtually every office in America. Imagining the sexy secretaries sitting at their desks, with their tight skirts and bodacious boobs bursting from their silk blouses is enough to drive a person wild. Let's not forget about the sound of their stilettos clicking against the marble floors, or the tight asses bending over the water cooler to hear about the latest inter-office hook-up. Seriously speaking, most offices are a virtual hot zone of sexual energy that is bottled up within confining cubicles and tight workspaces.

In such an environment, it's virtually impossible to not develop a secret crush on one of your hot co-workers or engage in a little office hanky panky. But, what happens if you're on the receiving end of someone's office crush? How would you go about discovering their identity within the work environment? And, better yet, once their identity was known, would you have enough courage to dip your pen in the company ink? This, and more, is what's on the agenda today in *Secret Admirer*, a comedic gem directed by Wicked Pictures humourist, Jonathan Morgan. In it, Samantha Saint, Wicked's newest contract acquisition, and Alektra Blue play the classic game of 'Guess-Who', turning the office upside down in a quest to discover the true identity of Samantha's secret admirer. Could it be the office bully, the dorky mail boy, the office hunk, or the kinky cougar in accounting? Guess you're going to have to punch in your time card to join us on our search!

The day opens with a beautiful bouquet of flowers being delivered to Samantha's desk, marking the fourth delivery this month. Rushing to her desk, Samantha picks up the flowers and inhales the sweet aroma, reading the card that is filled with romantic poetry. Moments later, Alektra walks past her desk and asks if she had fun on their double date the previous night. This gives way to a flashback sequence

Starring: Samantha Saint, Alektra Blue, Ash Hollywood, Diana Prince, Dane Cross, Danny Mountain, Christian, Johnny Sins, James Deen.

Directed By: Jonathan Morgan.

Available From: Wicked Pictures.

SECRET ADMIRER

"HE WRAPS HER LABIA FLAPS AROUND HIS MOUTH AND NOSE AS IF IT WERE AN OXYGEN MASK"

ORIFICE POLITICS!

There are water-cooler moments aplenty as Emma Edwards joins Wicked Pictures and their newest contract girl on the set of an office fuck-fest...

of the date that has Alektra mauling Johnny Sins, her hot prince, while Samantha is totally repulsed by her respective toad. Practically fucking each other across the dinner table, Alektra purrs, "He has something to show me at his house. I'll just see you at the office tomorrow morning." Just like that, the couple bolts.

When at his place, Johnny lifts Alektra up by the hips and throws her across the bed. Like a slutty girl, this bitch lands with her legs wide open. Claiming a spot within her great divide, Johnny tangles his teeth around her lace panties, ingesting a different type of bouquet before sliding the wet fabric down her stems. "I can't wait to eat you alive," he says, wrapping her meaty labia flaps around his mouth and nose as if they were an oxygen mask. Hooting and hollering, it doesn't take long before Alektra's slimy snail trail is dripping from his chin in delicious dribbles that turn him on.

"ALEKTRA SUCCUMBS TO A MONSTER ORGASM DUE TO JOHNNY'S AWESOME HANDY WORK"

After returning the favour by delivering mouthwatering oral on him, Alektra belts her slinky red dress around her waist and calls him into action. Honing right into missionary position, Johnny slams into Alektra's hot pocket with a zip-lock grip, working up rich gravy with her natural blend of savoury juices.

Now naked, with her dress strewn across the room, landing on my notebook, Alektra continues her stride in reverse cowgirl position. A vision to behold, Alektra's body glimmers underneath the sea of production lights. Eventually, she succumbs to a monster orgasm due to Johnny's awesome handy work from underneath. Hot!

When back to reality, Samantha smirks, "You can save your sick sexual flashbacks for your own desk." After a good laugh, the girls continue their hunt by rolling down the list of possibilities. Soon, they are interrupted by a scuffle between Christian, the office bully and sexual sycophant, and Dane Cross, the geeky mail boy. Hoping that Christian isn't her secret admirer, Samantha is reassured by Alektra when she says, "No, you're not his type, unless you are into some real freaky deaky shit!"

This leads to a freakish sexual scene that has Christian on all fours, with a ball-gag in his mouth, and a horsetail, being ridden around the room like a

“WITH HER LACK OF GAG REFLEX SHE HAS HIM IN THE DEPTHS OF HER THROAT”

pony by Ash Hollywood. Smacking his ass with her whip, Ash, the ultimate dominatrix, demands obedience and respect from her slave. “Do as you’re fucking told and ride me around,” she hisses again, sticking the stems of her stilettos into his hips.

Once her pony ride is complete, Ash lies across a couch and whimpers, “Please make me cum.” Jumping into position between her legs, Christian removes his ball gag and goes gaga between her creamy thighs. Squeezing her studded bra, Ash squirms and wiggles around his face, eventually throwing her bra to the other side of the room. Right as she’s moments away from cumming, she hooks her heels around his neck and hisses “Don’t you fucking stop!” He doesn’t!

Curving across him on the red couch, Ash siphons Christian’s monster can into her mouth. Salivating over his nuts, she delivers a spirited rim job that causes his eyes to roll and his balls to tighten. Proving her lack of a gag reflex, she effortlessly lodges him to the depths of her throat, constantly keeping her hands in motion. “Holy shit!” Christian blurts out; remove his cock from her mouth before going too far. After ripping her fishnets to shreds in cowgirl and reverse cowgirl position, Christian busts his nut butter across her stilettos. Sticky!

As Samantha and Alektra come out of that disturbing daydream, they begin salivating over Danny Mountain, the office hunk. “It’s like the Gods chiseled him out of the finest marble,” Samantha swoons, hoping that he might be her secret admirer. This leads to Samantha being swept away in a sea of own erotic entanglements.

"DANNY SLIPS HIS COCK INTO SAMANTHA'S WAITING HOLE IN SPOON POSITION"

Now, we see Danny Mountain carrying Samantha across his threshold after having had the perfect date. After some passionate kissing, that fuses their lips together like super glue, Samantha purrs like a well-oiled machine, "Take me hard and take me often." Keeping up with the romantic overtones of the evening, Danny responds in a sexy English accent, "You're like a rare vintage. You don't just gulp the wine. You make love to it."

With her panties practically falling down her legs due to the weight of her pussy pulp, Samantha is ready to go! Spreading herself open across the couch, Samantha holds Danny's head in place against her succulent peach. As her naughty nectar flows, Danny has fun catching her drippings with his tongue. Once he suctions his lips around her clit, we can audibly hear the sound of her clit piercing clanking against his teeth. The sound is erotically intense. "Oh yes, make that pussy purr," she continues, wrapping her gorgeous gams around his neck. This leads to some torrid sixty-nine sex that leaves the tip of Danny's nose wedged up her asshole.

Continuing to ravage this stellar beauty, Danny slips his cock into her waiting hole in spoon position. With her perfect body spread out like imported silk and her gold necklace cradling around her breasts, Samantha looks nothing short of a Greek goddess. Truly, in this moment, Samantha is the reincarnation of Aphrodite herself, let loose in Porn Valley!

Rushed back to reality, Alektra leers at Samantha, "Ground control. Were you just brain fucking Danny?" Smiling and gaining the courage to confront Danny, Samantha says with a sultry voice, "I know your little secret and I think it's great!" Happy to hear that he's been found out, Danny blurts out, "Secret's out! I'm GAY!" Guess it's back to the drawing board for these two ladies!

Knowing that everyone in their office seems to be screwing around with each other, Alektra lets Samantha in on some office gossip that revolves around Samantha's alleged 'power lunches' with James Deen. This gives way to a fantastic scenario that has Samantha strolling into James's office in a French maid's outfit, with a rolling cart full of dildos in tow. "I'm ravenous," James growls, looking Samantha up and down as if she were a piece of meat. Happy to be in his favours, she responds by saying, "I'm your all-you-can-eat buffet and I brought some accoutrements."

Clearing the desk, James sets the bodacious blonde on his blotter, spreading her mile-long legs apart in an effort to prepare his bitch for the first course. Attacking her pussy at will, James forces one oral orgasm upon her after another. Once her third orgasmic blast is locked in her chamber, Samantha throws her legs over her head, knocking the monitor onto the ground in the heat of passion.

After more dynamic oral is delivered to each, James busts out the toys. Grabbing the biggest dildo in the bunch, James suctions the plastic prick to the side of his desk. Contorting Samantha on all fours, he urges her to impale her pussy. She does. "God damn, that's hot," he howls, power plugging her mouth with his prick as she continues getting her pussy pounded in doggie position by the faux-prick.

From here, they transition into a standing arrangement that has James splitting her seams from behind and Samantha mouth-fucking another toy. After more sexual arrangements are implemented, James generously plops his slop across her tits in the ultimate display of man conquering women!

In time, Samantha's secret admirer is finally revealed to her and the ultimate fuck session ensues, but not before more staplers are slammed, files are flung and pencils are sharpened into fine points!

Mia is a quick learner. The last time she dropped by the studio, she'd shaved her pussy so recently that it still had flecks of foam on it. This time she'd done it a couple of days before. SOPHIA

We're always happy to bear witness to a girl's ablutions at first hand, and when that girl is Sophia Knight, we're even happy to remove the pubes from the soap ourselves.

Happily, that isn't required as Sophia is too busy soaping up all her most important parts although, strangely, hygiene seems to be coming a distant second to getting herself off. We were left holding a strategic Matey bubble bath to hide a certain bulge...

To those who don't know of Brooklyn Chase, could you please describe your porn 'brand'?
I think my Twitter bio describes me to a T: "the girl next-door you've always wanted". I am nice, sweet, and very innocent looking. But, I have a wild side that just can't be contained!

Were you a 'girly-girl' growing up?
Growing up, I was. You wouldn't see me without make-up and perfect hair. I still am to an extent, but as I've grown into my skin, so make-up and frills aren't as important to me as being comfortable.

You got into the industry relatively late; what were you doing immediately before, and what made you decide to embark on a career in porn?
Immediately before I got into the porn industry, I was running a retail pharmacy. I've always been promiscuous and enjoyed sex to the fullest, so when I found myself looking for a new career, I knew that porn was what I wanted to do.

What was your worst non-adult job?
I have only had two jobs outside of porn. One was my retail pharmacy for 10 years. Before that, I bagged groceries while I was in high school for a couple years, and it was terrible!

Do you enjoy being a porn star?
I absolutely love being a porn star! When I first embarked on this journey, I knew that it would be something that I enjoyed. Now, that I'm almost two years into the industry, I know that I made the right choice. I have a total blast on every shoot I do.

Were you nervous your first time in front of the camera?
The first time I had sex on camera, I was very nervous! I didn't know how to turn my body, what kind of faces to make, or if I even made GOOD faces! As soon as the camera started rolling and we got into the sex, I forgot about anyone else in the room and did what I knew! Fans liked the scene, so I guess I did all right!

What have you learned about sex – and yourself – from your adult career so far?
I've learned that I like a kind of sex that I never knew I did. Sometimes, I like it rougher. Other times, I like it softer and sweeter. I've also gained a confidence that I never would have thought I'd find.

Have you done any interesting shoots lately?
Recently, I did a shoot where I was a prison inmate and I was taken advantage of by a prison guard. It was a girl/girl scene and it was so hot! It was fun to get to play that role.

What type of scenes do you enjoy the most?
I've yet to find a scene that I didn't enjoy! I really enjoy group scenes because I love to be manhandled!

And least?
There are parts of some scenes that I don't enjoy entirely, like the ones where I have to be really cold! But, I really do enjoy all scenes.

What's your favourite sexual act?
I love to give a good blowjob! But, I really just love the act of sex. It's my favourite part of any scene.

Is there anything that you've yet to try, sexually (personally or professionally)?
I haven't done much anal work professionally. I'm sure that's something I'll get more into later, but for now I'm having a blast doing what I'm doing.

Is there anything you wouldn't do on film?
My rule is that I won't do anything that I'm

THRILL OF THE CHASE!

Whether in a straight-up sex scene or in one of a slew of bondage and role-play scenes, Brooklyn Chase has been giving her all since 2012. The pint-sized but perky babe opens up to Tamara Noon about her awesome blowjobs, why size doesn't matter and the mysterious significance of the number five...

"I REALLY ENJOY GROUP SEX SCENES BECAUSE I LOVE TO BE MANHANDLED"

uncomfortable with. I have yet to be in that situation yet, but as soon as I'm not feeling good, that'll be the thing I don't do on film.

Have you ever worked in the UK?
I have never been outside of the US! I would absolutely love to visit the UK for both work and pleasure.

Have you worked with any Brit porn stars?
I have worked with Keiran Lee and with Danny D. Both are amazing UK guys that I love working with.

Have you always been comfortable with your body?
It took me being in the industry for a while before I was truly comfortable with my body. It's a lesson that I'm so glad I finally learned!

What, to you, is good sex?
Passion makes good sex. Sex is not just physical. It's about being connected and enjoying each other.

What do you think you're best at sexually?
I've been told I give a pretty amazing blowjob.

Do you enjoy masturbating?
I love to masturbate and I do so multiple times a day.

Favourite sex toy?
I received a Hitachi Wand off my Amazon Wish List from a fan, and I haven't used anything else since. I seriously think I should buy stock!

Do you like to have sex to music?
I like to make noise and hear my guy enjoy himself as well, but a little mood music never hurt!

Is it easy to make you cum? What's the best way to get you off?
In order for me to get off, I need direct clitoral stimulation. I love to play with myself during sex. But oral is the best way to get me off.

Do you have a particularly sensitive body part?
My neck and ears are amazingly sensitive. I love to be kissed, licked, nibbled on there. It drives me crazy.

What gets you hot 'n' bothered?
I love foreplay, like most girls. I love to kiss, touch, and caress.

"I DON'T THINK THERE'S MUCH SEXIER THAN A WOMAN'S BODY. GIRL/GIRL SCENES TURN ME ON"

And what turns you off?
I'm health conscious, so I'm not a fan of smokers.

Is it true that you're not particularly keen on anal and you try never to swallow? If so, do you find this limits your work options?
Both are true! Anal sex is something that I thoroughly enjoy when I'm in a certain mood, but not on the regular. Swallowing is something that I have never done in my personal or professional life. At the moment, I plan to keep it that way!

Are you bisexual?
I don't think there's much sexier than a woman's body. Girl/girl scenes are so much fun, and turn me on so much. I lean more towards men, though.

What do you go for in a guy, or a girl? Are looks important?
Looks aren't that important to me. There definitely has to be a physical attraction, but I care much more about a sense of humour than movie star looks.

How was your first gangbang, which you shot last year?
My first gangbang was amazing. It was shot for Dogfart, which is an awesome place to shoot. And, all the guys that I worked with in that scene are guys that I know and love.

Honestly now, does size matter to you?
Size doesn't matter! I've been with guys that were huge and didn't have any idea what they were doing. But, I've also been with guys that were more average-sized and were amazing. It doesn't matter!

Are you dominant or submissive?
I like to be submissive. It turns me on to be manhandled and controlled a little.

Do you like your sex romantic or rough?
Both, so it really depends on my mood. Sometimes, I want sex to be romantic and sweet and soft. Other times, I want it to be hard and rough and crazy.

Realistic gonzo or slick and glossy feature?
I like both! Scripts are really fun, and I like to work my very amateur acting chops. But, gonzo is my favourite. I like to get right down to business!

Do you watch porn at home, and do you have a fave flick?
Before I was in the industry, I used to love watching girl/girl porn. Since I've gotten into the industry, I haven't watched anything!

How old were you when you saw your first adult movie?
I think I was about 14 when I saw my first adult movie. My friend's dad had a VHS tape that we found. We had to make sure we rewound it back to the same place!

Who is the best fuck in porn?
That's a tough one! I think that Bill Bailey is my favourite. I just love him so much that fucking him feels most comfortable.

Is there anyone you'd like to work with, that you haven't yet?
I've never had the chance to work with James Deen and I really want to do a one-on-one scene with Kendra Lust.

Which studio would you say is your favourite to work for and why?
I absolutely adore working with DogFart. I've done almost all my interracial work for them. DogFart is a great group of people and fun to be around.

What has been the most enjoyable job you've had so far in your adult career?
The AVN-nominated scene that I was a part of for Porn Fidelity. *The Madison's Mad Mad Circus* was a total blast to shoot. It was a great group of people with the concept of the big circus and it was out of control. I loved it!

Who is your dream fuck?
Justin Timberlake is my dream everything!

Would you date a fan?
I'm unavailable in my personal life, but if I wasn't, I wouldn't be opposed to dating a fan.

BROOKLYN CHASE

> **"SOME TIMES I WANT SEX TO BE ROMANTIC, OTHER TIMES I WANT IT TO BE HARD, ROUGH & CRAZY"**

What is the weirdest, funniest or craziest thing a fan has done for or to you?
I've never had anything crazy done for me by a fan. Anything that a fan has ever done for me has been amazingly sweet and thoughtful. Hopefully, one never does anything crazy!

Do you have any guilty pleasures?
I'm a huge *Keeping Up With the Kardashians* fan! I'm actually watching it as we speak!

What do you do with yourself, when you're not at work?
When I'm not at work, I like to workout, clean, cook, bake, and be crafty. I'm starting to get into knitting.

Is it true you ran your first half-marathon late last year?
It's true! I ran my first half marathon and hardly trained at all. I'm excited to train hard and do another one to see how I can improve. I love to run and racing is a big hobby of mine.

What do you consider your proudest moment?
I was very proud of myself when I was able to buy my first new car all on my own, and get a killer interest rate, too!

What inspires you?
Life inspires me! I have such an amazing job, home, family, friends – everything in my life is great, and it inspires me to continue to grow.

Where is your favourite place on earth?
That would be my couch with a cup of coffee (or wine after a certain time of day) with a blanket and a book.

As dog lovers, we'd love to hear about your pooches...?
I have one dog named Jax. He's an 18-month old boxer. He's a ball of puppy energy and goofiness.

Any more tattoos planned?
I think I'm done with tattoos! The ones that I have, have meaning in their own ways, but I'm done making permanent changes to my body.

Can you tell us something about yourself that not even your hardcore fans would know, please?
I'm mildly OCD. I like the number 5. Volumes on the radio or TV have to be in increments of 5 or I feel twitchy! And, I can only use a locker at the gym with increments of 5.

What do you see on the horizon for Brooklyn Chase?
I am hoping that this year is my big breakthrough year! I want to build my website, make some great movies, and meet more of my awesome fans.

As a professional on the subject, do you have any sex tips for our readers?
Remember that sex is for both people. Don't just get yourself off and not think about getting off your partner.

Do you have a way of your fans to get hold of you?
The best way for fans to get a hold of me is on twitter @brooklyn_chase or on Instagram at brooklynchasexxx.

And finally, do you have anything you'd like to promote?
I have some movies that will be out soon that I'm excited about, so stay tuned! Next week, my scene I did for Dreamzone for their parody *The Little Spermaid: A Dreamzone Parody* comes out. I'm on the cover and my scene with Derrick Pierce was a good one.

CLARK KUNT!

Superman isn't looking so super, exiled, lonely and without power. Well, until he gets his dick wet, that is. We join another big budget Axel Braun spectacular on set...

Man of Steel XXX: An Axel Braun Parody

Starring: Kirsten Price, Samantha Ryan, Skin Diamond, Kendall Karson, Sasha Knox, Ryan Driller, Billy Glide, Barry Scott, Alan Stafford, Others.

Directed by: Axel Braun.

Available From: Vivid Super Heroes XXX.

MAN OF STEEL XXX
AN AXEL BRAUN PARODY

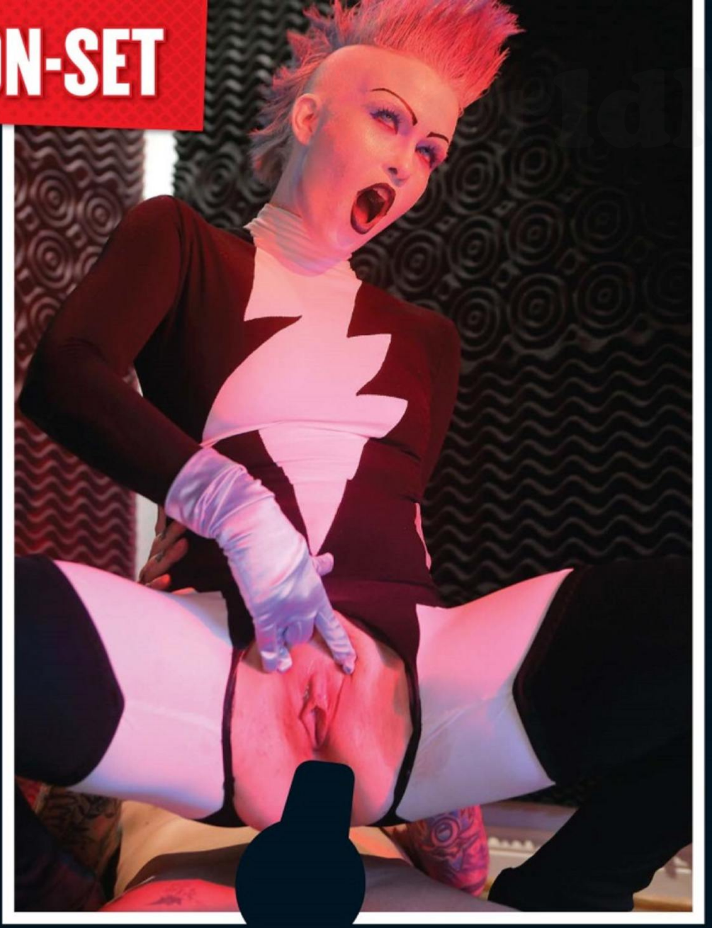
After a freak accident leaves Livewire electrocuted, Superman's tarnished psyche cannot handle the fact that he's lost control. Riddled with pain, guilt and self-reproach for his actions, Superman becomes overwhelmed by his civic responsibility continually to help those in need. As a result, the Man of Steel has reached his breaking point. Desperate to get back to his hometown roots and enjoy the support system of his family and friends in Smallville, Kansas, Superman makes some drastic choices that include ingesting a vile of silver kryptonite that renders him powerless and ending his long-term romance with Lois Lane.

Now deemed a threat and menace to society, due to his murderous actions against Livewire and his affiliation with silver kryptonite, President Lex Luthor has placed a billion dollar bounty on his head. In addition to this, Luthor has scientifically cloned a 'world guardian' named Bizarro who is to take on Superman's heroic duties. The only problem is that Bizarro is a demented freak!

This and more is revived in *Man of Steel XXX*, a darker, more edgy incarnation of America's favourite crime fighter, developed and created by ace director Axel Braun. Through a thought-provoking script, stellar costuming and a cast of industry elite, the porn community would be hard pressed in finding a dramatic equivalent in the beloved porn parody genre. With more action, more drama and even more bouts of hot superhero sex, this film is quality from end to end, with loads of super sperm in between!

Going back in time, the movie bursts to life in a recording studio, where we find Livewire (Sasha Knox), tying up Barry Scott's wife with electricity cables in the hopes of turning her creamy white skin into fried chicken. "Want to save her? You're gonna have to fuck me in front of her. If I don't cum, she's a rotisserie," Sasha warns, releasing pelts of green electricity through the air.

With no other choice but to chow, Barry unzips the crotch of her sexy black and white jumpsuit, revealing a spongy pink pussy with wet lips. Diving right into action, Barry long-licks the hood of her clit and has fun smacking his tongue around her bung. While poking around her pussy



"BARRY DIVES HIS HANDS INTO HER WILD HAIR AND DRILLS HER FACE WITH HIS DICK"

parts with his fingers, Sasha annoyingly taps her foot against the carpeted floor and cautions, "You better do a lot better than that!"

Taking it upon herself to switch things around, Sasha checks out the quality of Barry's cock by plopping it between her icy blue lips. Taking him down her gullet from root to tip, she manages to Barry's hard boner, leaving her hands and face sticky wet. "Don't think about enjoying this," she spits, "I'm just trying to get your cock hard to satisfy me!"

Completely dismissing her fear tactics, Barry dives his hands into her wild, faux-hawk hair and drills her face with his dick before throwing her down on the ground to continue his punishment up her asshole. Now being split in two by the girth and aggravation of his monster cock, Sasha's moans become more deliberate, directed and desirable. With loads of butt broth streaming from her ass crack, we can tell that Livewire is all lit up.

Finally, when Sasha is on the brink of another climatic release, Barry pulls out of her pucker and sprays his semen across her stomach. Now fearing for his life due to her lack of satisfaction, Barry calls on Superman (Ryan Driller) to come and save him as Livewire's electricity flies. All hell breaks loose!

Now, after accidentally murdering Livewire, Superman breaks up with Lois Lane (Kirsten Price) and travels back to Smallville in an attempt to rekindle his romance with Lana Lang (Samantha Ryan). After a heartfelt reconciliation between the lovers and a tearful confession that the Man of Steel is now all man and no steel, Samantha allows the fallen hero to stay with her while he figures out the next few steps of his uncertain future.

While getting some much-needed TLC, Superman's subconscious mind wanders to Metropolis while his body rests on Samantha's bed. As he lands in this bright white room that is illuminated by crystal blue rocks and lances, Superman looks around and is greeted by Zatanna (Kendall Karson).

Eager to turn the despondent man back into a crime-fighting hero, Kendall falls onto her knees and power plugs Superman's super cock. Delivering the best blowjob of the movie, Kendall's hand and mouth coordination makes her stand out amongst the pack. Growing more large and in charge than we've ever seen him before, even the Man of Steel himself is forced to step back on a few occasions, or else suffer the mortal humiliation of cumming too soon, which is definitely not a good look for a superhero!

He responds in kind by milling his chiseled face into her freshly shaven snatch. "You like having your face in my pussy, Superman?" she sighs, really making the most of his experienced mouth. Shaking his head yes, Superman continues rolling his tongue around her gooey center, slurping up the syrupy contents of her juicy box.

From here, Kendall rips her suit jacket open, allowing her full titties to flop on her chest while mounting her stud in reverse cowgirl position. Bouncing up and down his cock like a super ball, Kendall works her fishnet-clad legs and looks sensational when working up a sweet sweat. Happy to pound her hole from down below, Superman makes mince meat out of Kendall's muff before dousing his darling with his super galactic sperm.

Once Superman's moment of nocturnal nookie concludes, a nightmare begins whereby Lex Luthor has him by the collar and is threatening to kill him with a handful of glowing green kryptonite. Continuing to taunt and slander the helpless superhero, Luthor spits, "Able to slump inside tall buildings at a single fall, less powerful than a locomotive, far slower than a speeding bullet." It's intense!

Meanwhile, while all of this is underway, Bizarro (Billy Glide), a pitiful looking clone of Superman, has been released into the world. His primary mission it to kill off anybody who every loved and supported Superman. First on his hit list... Lana Lang.

While Bizarro is off in the world causing havoc, Lois Lane (Kirsten Price) pays a visit to Lana Lang (Samantha Ryan). Worried for the man they love, the two downhearted darlings find comfort and solace in the arms of each other. Making the first move, Kirsten initiates the passion by locking her full lips onto Samantha's. With trails of warm saliva trickling between both sets of open mouths, the girls seem genuinely turned on by the other. "You're so beautiful," Samantha smiles, positioning her new lady lover on her hands and knees.

Taking a spot behind her, Samantha slowly peels Kirsten out of her black pants and is quick to fill up her gushing holes with fingers and tongue. Cooing with girlish excitement, Kirsten opens her legs a little wider, causing her beautiful butt to blossom before Samantha's piercing brown eyes. Not one to waste an opportunity to sample a tasty arse, Samantha buries her tongue between Kirsten flaps, smacking it around from side to side.

When finished there, Kirsten throws Samantha against the bed and gets to work on her wet fanny. With an open mouth and long tongue, Kirsten takes her time excavating the pink contours of Samantha's slippery looking slit. "Tastes so good," Kirsten purrs, going in for another gooey mouthful of her warm milk. Clearly, both of these sex kittens are the cat's meow!

After returning home from her afternoon of lesbian love, Samantha discovers that Superman is gone and is trying to regain his powers. Now fearful for the uncertain fate of her amore, Samantha weeps. Her whimpering is short-lived, however, once Bizarro smashes his way into her home. "What the fuck?" she screams out in fear for her life. Without a word spoken between them, the muscle-bound menace yanks his crank from his uniform and shoves it down Samantha's mouth. Sucking it raw, as if her life depended on it – and it does – Samantha goes on to deliver one hell of an aggressive blowjob scene. And, despite the fact that she is fearful and repulsed by this repugnant poser, she can't help but feel turned on by his superhero hammer. By any unit of measure, this certainly qualifies as a bizarro type of sexual situation.

Bizarro hikes Samantha's leg onto the edge of the sofa and continues pounding her pussy. Barking with utter disdain and delight, Samantha even manages to thrust her hips backward, better connecting her coochie to the head of his rock hard cock. Ending on her back in missionary position, with a spray load of cum covering her taut stomach, Samantha's lips may be saying 'No, No, No,' but the turned on edges of her red pussy lips are screaming, 'Yes, Yes, Yes!'

In an effort to regain his super powers and reclaim his role as a world hero, Superman travels north to icy tundra, deep in the fabric of an arctic town. Little does he know that Bizarro is hot on his heels, with the sole mission of killing him off for good. As the storyline unfolds and the hero and the zero come face to face, who will reign supreme? With plenty more action yet to unfold, including tempting twists, tune in to find out what happens next!

JENNIFER

The very sultry and saucy Jennifer is one of those wonderful girls – and we come across them more than most – that you have to rein in a bit. She got a bit excited on her photo and video shoot and her fingers (and the rather interesting toys she brought along) started doing things that we can't show in, you know, this continent. Of course, we let her do them for a bit, just for our private enjoyment...

CURRIE ON...

THE ANTI-PORN MOVEMENT!

Our legendary porn star and columnist Karina Currie stands up for the rights of women and porn stars to explore their own sexuality in the face of sustained attacks...

What is it about women in comfortable shoes? No! I'm not talking about your granny, I'm on about a particular type of woman who only wears ugly, but comfortable shoes. She doesn't wear make up, and in general tries to disguise any hint of femininity, in the fear of being identified as a possible target for the opposite sex, and his inherent drive to mount every female he encounters, with little or no care for anything but his own pleasure! Okay, so maybe a little OTT there, but if you haven't worked it out by now, I'm talking about so-called radical feminists.

And why might that be? Anyway, I was invited to attend a protest against a group of anti-porn, pro-censorship feminists called the SPC or Stop Porn Culture group, while they had their conference in London, debating the complete ban on all types of porn. Their argument for this is that all porn is rape and, whether we know it or not, we're all victims being exploited by it.

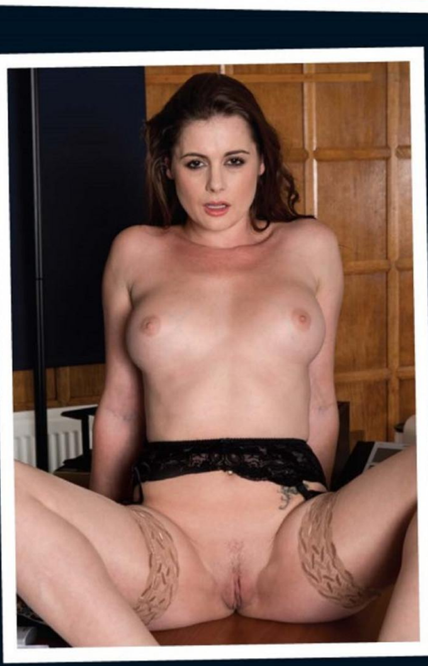
The protest was organised by a very respected colleague of mine, Jerry Barnett, founder of the Sex and Censorship org, to show that adult industry performers and producers do have a voice, and that there are actually people of both sexes who choose to go into the sex industry and enjoy their work.

One of the main characters attending the conference was the SPC co-founder, Gail Dines. US-based Dines said the aim of the conference was not to ban porn, conceding that this would be impossible, but to, "challenge the porn industry, the duty of care for victims (performers) within the sex industry, and the harmful culture it perpetuates."

In a massive Facebook debate leading up to the protest, porn peeps were presented with statistics that had no relevance to porn. Anti-porn feminists were spouting on about rape, human trafficking and similar, lumping together and confusing these criminal matters with the production of consensual porn. With no evidence to back up the information they provided, their argument was weak but when we answered, this fell upon deaf ears.

Nobody in the industry has ever denied that there have been, from time to time, performers who begin the job for all the wrong reasons, do really poor performances because they really shouldn't be doing

> **"THEY LUMPED TOGETHER CRIMINAL MATTERS WITH THE PRODUCTION OF CONSENSUAL PORN"**



the job and leave as quickly as they begin. As you all probably know by now, I'm the first to pipe up if I feel somebody's in my industry when they don't want to be and I refuse to work with them. I'll specifically focus on the professional UK porn industry, so please keep that in mind and avoid mixing it up with the USA industry as I go on.

What I write here has been an observation of mine, experienced personally, throughout the 15 years I've been in the industry. I've always only ever agreed to shoots, people and sexual acts that I'm comfortable doing. I have never been raped, drugged or bullied on set. I have never crossed my personal boundaries but that's me. Don't get me wrong, I've met many performers, male and female, who are not right for the industry but they willingly choose to do the job. I'm not their keeper or carer responsible for their decisions, and as much as I always advise, I can only do so much to help somebody who shouldn't be in the porn world for whatever reason.

The performers who go and so rightly quit, spout sob stories of exploitation, sexual violence and victimisation, not because that was forced upon them but rather they did it to themselves. They chose to get into porn, they agreed to do things they would not enjoy and later would regret without thinking it through first, and they ultimately have to take the responsibility for their actions instead of finding an easy scapegoat. In truth, admitting that they fucked up and dragged innocent people into their story of woe, now portrayed as abusers, is pretty scummy behaviour in my opinion.

"THEY'VE INSULTED THE WOMEN IN THE INDUSTRY BY ASSUMING WE'RE ALL WEAK PRISONERS"

The problem I have with Gail and the SPC is that they refuse to accept that women like myself, Renee Richards and Paige Ashley are mentally sound, and openly choose to do porn. Renee Richards, a former stripper and porn star, told the crowd at the event that she had never encountered exploitation, rape or humiliation in the porn industry. Paige Ashley and Benedict Garrett, both current porn stars, also joined the protest and voiced their views about freedom of choice.

In most of the arguments given by Gail's supporters, one thing became extremely apparent: Their obvious hatred towards men. With constant referrals to men being the reason why women get into porn, presumably forced into it by a boyfriend or partner! They've insulted the women in the industry by assuming that we're all weak prisoners to an external force and victims that need saving. And they have the audacity to call themselves feminists!

Freedom of sexual expression had been a man's luxury alone up until the 60's when the feminists of the time fought for equality. Now we've almost achieved this and the new radical feminist wants to take it away! For our own protection, of course…

WANDA

Our interest in women's golf is about the same as our interest in men's golf: Zero. But the female version of the sport does have its attractions. Women gripping shafts, bending over to touch balls and, in Wanda's case, distracting us all the way to the clubhouse with her amazing, gigantic tits...

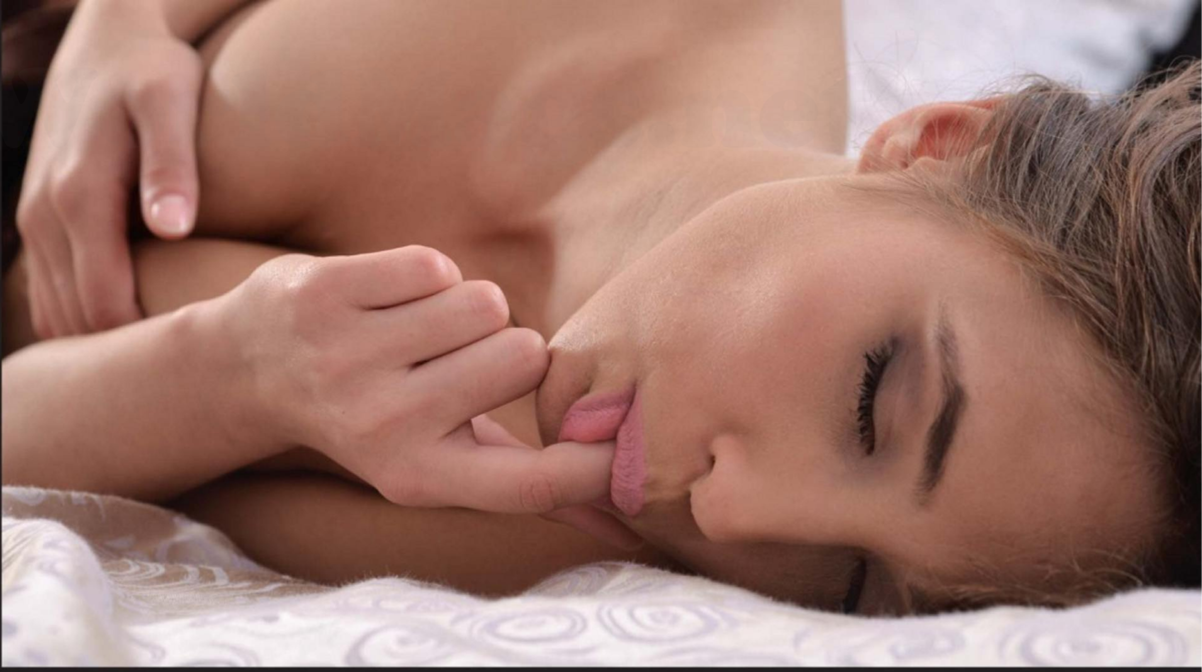
SASHA



STRIPTEASER

Sasha might be one of the cutest newbies we've featured in some times, but sometimes the prettiest girls are the shyest. Not Sasha.

Nope, all her talk was about sex, girls she's licked out in nightclub toilets, cocks she'd sucked in same. A porn star with a 10" cock who'd introduced himself to her arse, a threesome she was planning with a girl and guy she'd met on the internet. In other words, she doesn't mess about. Meet Sasha: We love her...

CONFESSIONS

JUICED UP

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

Everyone knows about cougars, but I only found out last year that the male equivalent is a 'jackal'. I've always fancied older guys – even when all my friends were swooning over boy-bands, I was into the same celebs as my mother. It was all very innocent, of course – I didn't even go on a date till I was 19.

I was 21 by the time I lost my virginity, to a bloke in his forties, Michael. He was gorgeous – dark eyes and salt-and-pepper hair. He wasn't the first older bloke I'd gone out with, but he was the first one not to be fazed by the fact I'd never had sex.

He didn't try to rush me, in fact he virtually had me begging for him to screw me by the time it happened. We'd had a few drinks and we both knew something was going to happen. Usually, when we messed about he'd undress me, but this time he let me take my own clothes off.

He laid me down on the bed, naked, and I watched him strip off, then we had a kiss – just the feel of his warm body on me, and his hairy chest brushing over my bare tits, got me throbbing between my legs.

I just let him take the lead, thinking he'd just spread me wider and slip his cock inside me. But he spent ages getting me warmed up – almost too long. He was kissing his way down my body, taking a pause to suck on my tits. I felt the heat rise in my pussy and the juices flowing, and I was buzzing when his lips went below my belly and planted little kisses on my mound. And then… he just started nuzzling and kissing my thighs, working around my pussy in circles.

Even when I begged him to, "touch me properly", he just ran his fingers over my outer pussy-lips, sneaking the tips between them to catch my clit now and again. My hole was pulsing, desperate to be filled but it wasn't till I was ready to scream for it that he finally eased a couple of fingers inside. I was so wet, and he'd wiped them in my juices, lubing them, so they slid in with no resistance. But, even though it wasn't the first time he'd fingered me, this time he let out a groan and said how fucking tight I felt.

He wasn't trying to bring me off with his hand, just to warm me up, and as they probed and scissored, gently stretching me, he kept on about my tightness, asking was I sure I could take his cock inside me.

I could feel it pressed up to me, rigid, and I reached down between us, curling my fingers around it. This wasn't the first time I'd played with him either, but it felt extra-huge now. I gave it a good rub, sliding the velvety skin up and back, smearing my hand with the precum oozing out of its tip. Now he brought his hand down and moved mine off his shaft, saying he had other plans for his cum that I'd ruin if I kept wanking him like this. And there I was thinking older men were always in control!

At last he got between my thighs – he teased me a bit more, rubbing his wet cockhead up and down my even wetter slit, grinding it against my swollen clitoris. Then, at last, he touched it to my hole. I tensed a bit then relaxed and, slowly, he pushed inside, looking me in the eye to check I was OK. He just stayed buried in me at first, working my clit with his fingers, then he leant forward to kiss me, and started thrusting in and out. Even though he took it slow I found it hard to get my head around it all – just the thought of a big cock opening up my tight twat for the first time was blowing my mind, but as he sped up a bit, all I could do was focus on the sensations.

Suddenly, he slowed down and stopped, and sat back up. His cock was still inside me and while he looked like he was trying to hold back for a few seconds, he soon got himself together and said this was about me and he wanted me to cum. I said it didn't matter – I wasn't expecting an orgasm my first time. He just rubbed my clit again, which felt even more intense now I had my pussy full of his thick meat.

> **"I CLAMPED MY LEGS TIGHT TO KEEP MICHAEL'S HARD COCK INSIDE ME, AND AS I TWISTED AROUND ON THE BED, HE HELD ON TIGHT TO ME AND STARTED PUMPING AGAIN"**

I'd cum before now, from his fingers, and felt the tightening inside that told me I was almost there. But when my orgasm suddenly came it hit me like a sledgehammer – I clamped my legs tight to keep Michael's cock inside me, and as I twisted around on the bed, he held on tight to me and started pumping again.

I went still and floppy, enjoying the afterglow, but the movement of his cock was getting me excited again. I didn't

FOR JACKALS!

cum before he did, but I felt his spunk jetting out of him to flood my cunt.

Michael was the first older man to fuck me, but there've been others. A few weeks ago, I went back home for a relative's 50th birthday party at a social club. A mate of my dad's, Tony, was there – a guy I'd had a secret girlie crush on in my teens! We said hello and I caught him looking at me a few times, but didn't think anything of it till I was coming back from the loo and saw him in the corridor.

He said he hardly recognised me now I was a gorgeous grown woman. Not being creepy, just to give me a compliment, but I'd had a few drinks and flirted back, asking was I his type now. "I'm 47," he said – almost twice my age – "and your dad's my mate. You've only just stopped calling me 'Uncle Tony'!" But I knew he was a bit of a shagger, so if I kept the bait in his face he'd bite sooner or later.

Suddenly we heard someone heading our way so I grabbed Tony by the arm and dragged him into the nearest loo, a single cubicle. He didn't protest. "Bend over the seat," he said, obviously no stranger to this kind of quickie, and he got in behind me and rucked my dress up. I heard him groan as he took in the sight of my hold-up stockings and thong. Now I heard him undo his own trousers, then the slap of his hand on his cock as he treated himself to a quick wank. He yanked my thong to one side and started feeling up my slit and crack. I felt suddenly nervous as he pulled his fingers away, then sighed out loud as he jammed his prick up my pussy.

He shagged me hard and fast – I had to brace against the seat to stop myself headbutting the cistern – then he leaned forward and pulled my tits out of the top of my dress, squeezing them so hard I let out a yelp. When I shifted position a bit, he slapped my arse and told me to stay as I was, then he fucked into me even harder and deeper. I like it when a bloke is a gent and considerate, but right now Tony was out for No1, using me to make himself cum. And I'd be lying if I said that being his little fuck-toy didn't turn me on big-time.

> **"HE YANKED MY THONG TO ONE SIDE AND STARTED FEELING UP MY SLIT AND CRACK. I SIGHED OUT LOUD AS HE JAMMED HIS PRICK UP MY PUSSY"**

He rode me all the way, his fingers clawing against my waist as he hit the peak – I felt him go stiff and then his crotch was tight to my arse as he shot his bolt deep.

Not that he was so much of a bastard that he left me wanting. Still shaking, he had me stay bent over and he used his fingers to bring me off. I felt my pussy pulse and force out all the juices and cum inside it and heard Tony groan as he watched it trickle down my inner thighs. He rubbed most of it into my thighs and arse, but he brought a hand round so I could lick the salty, creamy mess off his fingers. Then I stood up and we had a big snog as he groped my naked tits – we hadn't actually kissed before now, we'd been so fired up to fuck.

I asked if it had been good for him – he rolled his eyes and grinned like I shouldn't have to ask. Then he asked me the same question. I said I'd been nervous for a second because I'd thought he was going to stick his cock up my arse.

"And if I'd tried, would you have been up for it?"

I shrugged and gave him a dirty smile, and he looked like he was kicking himself! We managed to sneak back into the party without being seen and didn't say more than a few words in passing for the rest of the night. I'm not sure what'll happen now – I don't go back home very often, but I may have to drop 'Uncle Tony' a text next time I plan to visit!

BOSE AE2W

It seems slightly crazy that in this wireless world, most of our headphones are still attached to our products by the kind of wire that can tangle with itself within two seconds of taking them off. Therefore audio-leaders Bose have revealed their latest Bluetooth headphones as a means of staking their claim to what is surely the standard for the next generation. As with all Bose headphones they actually sound amazing, as opposed to just bassy and uncultured like Beats and the like. However, it is a little surprising that the Bluetooth receiver isn't part of the headphone itself and protrudes from one of the cups. This slight gripe aside, though, the classic Bose noise-cancellation is fully in effect alongside the supreme sound and to say these things are comfortable is an understatement. All in all another win for Bose and of course, those with the money to afford them!

Pros: Sound. Comfort.
Cons: Obtrusive bluetooth.

SAMSUNG GALAXY TABPRO 8.4

Samsung are in a true head to head-to-head battle with Apple right now, even resorting to getting Jay-Z to basically ban anyone without one of their phones from his free concerts. It's a truly cold world. The best evidence of this, however, may be found in the price of their latest tablet, avoiding being lumped in the budget bin by pitching in the iPad mini price range. Therefore, we're going to make an instant comparison and on first look the screen is a marvel, and even makes better use of its space when watching movies. The only problem with moving all those millions of wonderful pixels around is that the battery life is a couple of hours less than its rival. Add in the fact that despite some significant improvements its build is still not on the level of the market leader and Samsung may find people bypassing this release as a result.

Pros: Screen. 64Gb available.
Cons: Battery life. Performance glitches.

NOKIA LUMIA ICON

This is not only the kind of phone that will frustrate those who claim the inherent superiority of Apple with its genuine quality, but also unfortunately all those Nokia devotees as it's currently only available in the U.S. We're sorry about that, but we still felt you should know that not only is it one of their most powerful Windows 8 handsets yet, but that famed Nokia camera quality is still having the ante-upped with 20MP and the kind of full HD screen that iPhone could only dream of. As a result, it remains a large phone, the kind that only the younger generation truly embrace, but thankfully has the kind of quality finish that all could appreciate. It really is all about that camera though and if you've ever stood next to someone at a concert with any new Nokia phone you'll know all about the envy.

Pros: Camera. Huge, crisp screen.
Cons: Apps still severely lacking.

JAWBONE UP

JAWBONE
£100

It seems that the worlds of fitness and not having to make decisions for yourself have never been more closely linked! This 'activity tracking band' will not only look good on your wrist and provide a talking point for those dry moments at work, but will actually track your sleep patterns and wake you accordingly to optimise the amount of time you should be in dreamland. It will even offer you advice or, as we more commonly know it, nag you about actually how to sleep better and how not to ruin your life with drink and drugs. The fact that it's slightly more passive in this activity than a wife is a blessing, and more helpfully it will clock when you power-nap and even wake you up after 45 minutes to avoid that sluggish daytime feeling. It may only be a matter of time though before you sling it in the drawer whilst you go on a bender.

Pros: Light. Sleek design. Ten days battery life.
Cons: Some connectivity problems.

SAMSUNG GEAR 2

Samsung are on a release spree right now and in a further attempt to dominate all markets have taken another look at their smartwatches and have instantly realised the major flaw with the first generation – the fact that they were far from a good-looking modern 'timepiece'. Therefore they've trimmed down the bulkiness by integrating the camera into the strap and the brushed metal face gives it something close to a premium feel. By including a home button, they've also improved the general usability and add in the fact that the Gear 2 is both dust and waterproof, you have a fairly resilient, attractive watch. The main selling point however, may be the built-in heart-rate sensor, which is everything a paranoid hypochondriac could want in the year 2014, and can link through to smartphone fitness apps like Samsung's S Health. We, on the other hand, like the discreet camera for catching a few naughty shots of our bedroom action without having to brandish a hand-held and ruining the mood!

Pros: Design. Longer battery life.
Cons: Camera quality. Bluetooth headphones required for music player.

HOT CHICKS BIG FANGS

(Digital Playground)

British cocksman Keiran Lee writes and directS this feature for Digital Playground and, while the script itself won't be troubling the Oscars, that doesn't mean this isn't good stuff. Lee directs with flair, and he realises that the best thing he can do with a cast this hot – Bonnie Rotten, Nikki Benz and Monique Alexander amongst it – is point the camera at them while they do sex. Bonus points for Romi Rain too – we like her!

From film to film, the Harmony casts don't change much, but I'm still prepared to go out on a limb and say this is my favourite yet. Lexi Lowe gets the cover, and the last year has been brighter for her entry into porn. It's all girl-on-girl gooing and Sapphic slurping, with the likes of Sam Bentley, Ava Dalush and Georgie Lyall making every hole a goal. The Euro imports are gorgeous too, meaning you won't escape this one with a single bit of the white stuff left in you.

HACKED

Do you want me to spoil your enjoyment of these perfectly nice pages with a load of guff about the plot of this latest from Digital Playground. Do I need to spell out the somewhat silly stuff they do about hacking and computers and… no. Let's not. Let's just focus on the good stuff that we want to see – and those are Stoya, Kayden Kross (she of the wonderfully thimbly-nips) and other like-minded girls making sure cocks go hard from beginning to end. Gave me a log-on…

RUSSIAN PORN QUEENS

We could get all sniffy here about the territorial desires of Mother Russia, especially with regards to the Ukraine, but this is neither the time nor the place. And, in fact, it wouldn't be appropriate because this finely-honed selection of scenes from the vault is all about Russian babes getting invaded themselves – in the mouth, pussy and arse. Kira Queen is the pick of the bunch, but Regina Presley had me emptying my gulags too.

The hottest XXX from the world wide web

WWW.LANESISTERS.COM

There have been many sisters and many twins in porn before. We're sure it's a bit of a nightmare for them – and the directors and photographers they work with – to make sure things stay on the right side of the law. Shana and Roxy push it pretty close, these Canadian hotties (and, unlike most twin pairings in porn, they're both fit) sharing dicks and pussies at the same time. The site runs the gamut from dressing up, masturbating and solo play right up to hardcore gagging blowjobs, DP's and the like. Shana would seem to be the more active of the two, but this site really comes to life when both girls – and some of their cute Canuck friends – are sharing the same dick.

You don't have to be a cynic to feel that the people behind this site have been looking at other sites. 1byday, for example, or Hegre Art. But imitation is the sincerest form of flattery, and it does help that W4B have at least pulled it off.

And you'll pull it off too, with magazine quality girls like Connie, Bella Babe and stacks more in softcore photoshoots and videos. It's high quality stuff, with true HD available for download (better make sure you've got decent broadbad if you're going to take full advantage. Fibre would help...) and great pixel quality on the fantastic pics. Not as a good as a real magazine, obviously, but pretty damn good!

WWW.FLEXIANGELS.COM

And now for something completely different, as they say. Flexi Angels is a pretty unique site – well, it is if you stick to their custom content. Some of the stuff they've bought in and the bonus sites you get for your (pretty hefty in this day and age) $30 a month are straight up hardcore and not exactly stuff that will set the world alight – a lot of it looked very familiar and somewhat old. But the main attraction here is girls of a gymnastic and acrobatic nature, stretching, bending and getting into impossible positions – mostly with clothes on. It's more suggestive than starkers, but if you're attracted to some flexible friends, this is the site for you.

FUN Bags!

A lorra lorra laughs...

A guy, who has been stuck in an unhappy marriage for years, goes into a pet shop to get himself a dog for a bit of companionship. After hearing what he wanted, the sales assistant says, "I actually have something much better suited to your needs than a mutt – a toothless ferret!" The guy's a bit taken aback and tells the assistant that he doesn't want a ferret, that he wanted a dog. The salesman continues, "But, here's the thing; it gives amazing blowjobs!" The guy ponders this for a moment, before deciding to take the toothless ferret, after all. Upon arriving at home, his wife takes one look at the new pet and screams, "Argh! What the hell is that ugly thing?" The guy snorts and retorts, "Don't worry about what it is – just teach it to cook a fry-up and pack your fucking bags!"

What is a canine's favourite school subject? Dog-ruff-ee.

What's the difference between a child prodigy and a pussy with gonorrhoea? One is a cunning runt, and the other is a running cunt.

A bloke comes home from work, to find his wife of 30 years packing all her clothes into suitcases. Gobsmacked, he demands, "Where the hell are you going?" His wife snorts, "To London! I saw a programme on the telly and there are men there who will pay me £300 in cash to do what I do for you for free!" The bloke stands there digesting this for a few moments, before he grabs another bag and starts shoving his own clothes into it. His wife yells, "And what do you think you're doing?" Her husband retorts, "I'm coming to London with you! I want to see how you manage to live on £900 a year!"

I've had a bit of a bad day today; firstly my girlfriend got run over by a bus, and straight after that, I lost my job... As a bus driver.

Two statues – one male and one female – stood opposite each other in a park, and had been there for 100 years. On the day of their centennial anniversary, an angel swooped down from heaven and approached the pair. "As you have both been such wonderful examples of your kind, I have come to give you a gift. I shall bring you to life for just 30 minutes, in which you can do anything you desire." And with that, the angel brought the statues to life. They immediately rushed towards each other and embraced; something they had been longing to do for years, then, hand-in-hand, they disappeared into the large bushes together. The angel was surprised to see the trees and bushes shaking, and loud giggles coming from the pair, and that after 15 minutes, they emerged with huge smiles on their faces. The angel reminds them that they still have another quarter of an hour before they return to their previous state, and winks at them both. The female turns to the male and says with a grin, "Perfect, let's do it again! Only this time we'll swap it around – you hold the pigeons down while I crap on their heads."

Porn Stars Turned Directors

Six Of The Breast

Who? Belladonna

Nationality: American (Mississippi)

Years As A Porn Star: 13 (2000-2013)

Years As Director: 10 (2002-2012)

Movies Made: With the number of her directorial releases higher than some stars' entire filmography – 89 – you have to be impressed to learn that adult's dirtiest girl has also sucked and fucked her way through an eyewatering 329 pornos. Wowzer!

Typical Movie Genre: For as long as she's been working, Belladonna has been notorious for nasty gonzo flicks – think fisting, choking, gaping and double-anal – however, she's been cast in big-budget blockbusters for her entire career as well, despite being tattooed, pierced, and an all-natural 34C-25-34.

Recommended Movies: Pretty much any Belladonna scene is gonna have you reaching for the tissues, but we particularly rate the *Cock Happy* series (1-4) from Evil Angel; she directs, she acts, she performs anal, DP, facials, squirting and golden showers. However, she also appeared in Digital Playground's blockbuster *Pirates*, and John Stagnetti's infamous *The Fashionistas*, proving she can cut it along with the plastic blondes.

Juicy Goss? Her first scene was shortly after her 18th birthday, in which she was expected to do her first anal. Now semi-retired, the hardcore queen enjoys a spot of gardening!

Get In Touch: Follow the kinky minx on *Twitter.com/belladonnaent* or visit her website at *Enterbelladonna.com*.

Who? Keiran Lee

Nationality: British (Derby)

Years As A Porn Star: 7 (2007-2014)

Years As Director: 1 (2013)

Movies Made: He may be brand new in the directing game, only having made 1 movie, but with 260 in the 'acting' bag, Keiran Lee's more experienced than many male XXX stars.

Typical Movie Genre: As with most studs in his position, he pretty much gets what he's given – which usually involves knobbing some fucking hot porno chicks!

Recommended Movies: His exceptional directorial debut, *Hot Chicks Big Fangs* (for Digital Playground, no less), sees Lee cash in on the back of the recent vampire trend. And with babes like Nikki Benz and Monique Alexander starring, you know it's gonna be good! Harder is recommending movies he's starred in, simply because there've been so many!

If you're into group scenes, you can't go wrong with Video Marc Dorcel's *Orgy: The Championship 2*; if you like British grot, check out Television X's *Adventures of Badcock And Barrett*, and if something a little more fantastical is up your street, give *Alice: A Fairy Love Tale* a go!

Juicy Goss? You may not know that the lucky bastard has been married to leggy sex-goddess Puma Swede since early 2009.

Get In Touch: You can let him know what you think of his work at *Twitter.com/keiranlee*.

Who? Joanna Angel

Nationality: American (Brooklyn)

Years As A Porn Star: 9 (2005-2014)

Years As Director: 9 (2005-2014)

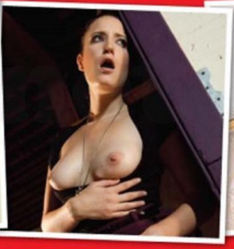
Movies Made: The pint-sized pixie (she's 4'11") has starred in 138 and directed 79, but she's still going strong, so expect new grot imminently!

Typical Movie Genre: The heavily-tattooed, pierced rocker virtually invented her own genre, 'alt-porn', when she started her company Burning Angel a decade ago. That's not to say Joanna doesn't work with other studios; she's earned such a glowing reputation for her hardcore performances, she's done her share of parodies and features.

Recommended Movies: There's a ridiculous amount to choose from, but we love Burning Angel's *Fuckenstein*, which the raven-haired hottie not only directs, but also performs a DP, A2M and a creampie in! *Anally Yours… Love, Joanna Angel* from Hustler is also well worth a view. And yes, you guessed it – the clever bunny directed that one, too!

Juicy Goss? Randomly, Joanna thinks PULP's *This Is Hardcore* is one of the best sex albums ever! And she's afraid of the dark.

Get In Touch: Follow her on Twitter or Instagram at *@joannaangel*, go to *Joannaangel.com*, *Xoxojoannaangel.com*, or her production company website, *Burningangel.com*.



Who? Tanya Tate

Nationality: British (Liverpool)

Years As A Porn Star: 5 (2009-2014)

Years As Director: 3 (2011-2014)

Movies Made: Ms. Tate has fucked her way through over 180 pornos and has directed eight, but with her sights apparently set on world domination, who knows how many more are to come?

Typical Movie Genre: The pneumatic blonde is lucky enough to tick a few boxes (MILF, busty, bisexual) and is cast accordingly. Because she is a 'cosplayer' in her spare time (she likes dressing up as superheroes), and has a specialist site on the subject, she has had a tendency to bring that out in her films. Her directorial efforts so far have been for Filly Films, Combat Zone and Penthouse.

Recommended Movies: For pure unadulterated filth, watch Tanya in action in Immoral Productions' *Snort That Cum 6*; to see her in all her cosplay glory, catch Exquisite's *Iron Man XXX: An Extreme Comixxx Parody*, and see her talents as a director in this year's *Brit School Brats 2: Rule Brit Tanya*, from Filly Films.

Juicy Goss? The buxom babe (34E-24-34, lads!) made her first fuck-movie on her 30th birthday, she's adopted a tiger, oh, and she can knit!

Get In Touch: With a website (*Tanyatate.com*), a cosplay blog (*Justalottatanya.com*), a photo account (*tanyatate.tumblr.com*) and a Twitter account (*@tanyatate*), she's one busy media mogul you should be able to reach!

Who? Kimberly Kane

Nationality: American (Washington)

Years As A Porn Star: 11 (2003-2014)

Years As Director: 7 (2006-2013)

Movies Made: As a performer, Kimberly has notched up a whopping 380 titles, but she's not finished yet! And the 5'9" brunette has dipped her toe in and out of the directorial waters 12 times, thus far.

Typical Movie Genre: None, really, but she does shine in the gonzo films she's done. Unusually for a successful US pornstar, KK is brunette, svelte and a MILF, with a 36B-26-38 figure, but this doesn't affect her being cast as the lead hottie in various glossy features.

Recommended Movies: As she both directed and starred brilliantly in Vivid's *Kimberly Kane's Been Blackmaled*, we thought we should give it a mention – the same goes for 2013's *Orgy University*, also from Vivid, which sees her get it on with yummy Dana DeArmond and Skin Diamond in a scorching threesome.

Juicy Goss? The blue-eyed babe's a pretty hot photographer (check her stuff at *http://kkshot.tumblr.com*). And her fave sexual act is rimming! And she's a terrible interviewee!

Get In Touch: Her official site is *Kanearmy.com*, or you can catch her on Twitter *@kimberlykane*.

Who? Anissa Kate

Nationality: French (Lyon)

Years As A Porn Star: 3 (2011-2014)

Years As Director: 1 (2012-2013)

Movies Made: The raven-haired beauty hasn't done too badly for such a young career; she's already performed in 104 flicks and directed two!

Typical Movie Genre: As a performer, the 37D-33-35 starlet has been, and still is, predominantly booked for big boob flicks – for two obvious reasons – but with sexual tastes that include bondage anal, facials, creampies, gangbangs, interracial, deepthroat, A2M and anal-fisting, this is one gal that fits into any scenario you can come up with.

Recommended Movies: Out of the 2 films she's been in charge of, Private's *Ass, Cash And Politics* is definitely the best. Of the 3 scenes she's in, the last – a foursome – really shows Ms. Kate's full potential. Harmony's *Slam It In A Slut 2* was written for Anissa, and her enthusiastic DP and subsequent facial are inspired, and in Elegant Angel's *DP Fanatic*, she continues to show just how filthy this sexy honey's tastes are!

Juicy Goss? The petite (5'4") Tera Patrick lookalike loves "80's music and my duvet"… We'd be passionate about her duvet, too, given half the chance!

Get In Touch: You can gaze over her wares at her official pay-site, *Anissa-Kate.com*, or follow her on Twitter, *@anissakate*.
